Good Morning

GROW A MEAL PROJECT

We are pleased to announce that Grow, Cook and Enjoy! will be coming into school throughout this term and next to run a "Grow A Meal" workshop. These have been very successful in the past, and some year groups have already planted out some produce.

<<Firstname>> will help to grow vegetables from seed, learn and look after them. In the Summer Term the produce will be harvested and made into a meal that the children will take home with them.

The planned menu is:

Reception, Year 1 & 2 - Rainbow Salad (growing Beetroot, salad leaves, cucumber, broad beans and parsley)

Year 3 & 4 - Pin Wheel Pizza (growing tomato, garlic, basil, courgette and spinach)

Year 5 & 6 - Singapore Noodles (growing spring onions, spinach, coriander, garlic, mange tout and bean sprouts)

The total cost for the workshops will be: £10.80 per child, and this is now available to pay on <<Firstname>> Sco-Pay account.

Unfortunately, if not enough contributions are received then these workshops may have to be cancelled.

No pupil will be prevented from taking part in these experiences, but if you have difficulty in affording this amount, please do speak to Mrs Hall as soon as possible.

If you have any questions, please do not hesitate to contact the school

Kind Regards

Mrs R Hall  
Head Teacher
