

\*\*SENT VIA TUCASI \*\* Year 1 - 6

Good Morning

GROW A MEAL

Grow, Cook and Enjoy! will be coming into school throughout this term and next to run a "Grow A Meal" workshop.

<<Firstname>> will help to grow vegetables from seed, learn and look after them. In the Summer Term the produce will be harvested and made into a meal that the children will take home with them.

The planned menu is:

Year 1 & 2 - courgette and tomato tart (growing tomatoes, courgette & Basil)

Year 3 & 4 - Pasta and Pesto (growing Broad Beans, garlic, peas and rocket)

Year 5 & 6 - Quesadilla (growing spring onions, spinach and coriander)

The total cost for the workshops will be: £10.00, and this is now available to pay on <<Firstname>> Sco-Pay account.

Unfortunately, if not enough contributions are received then these workshops may have to be cancelled.

No pupil will be prevented from taking part in these experiences, but if you have difficulty in affording this amount, please do speak to Mrs Hall as soon as possible.

If you have any questions, please do not hesitate to contact the school

Kind Regards

Mrs I Haddad and Mrs K Walsh
