

Dear Parents and Carers,

During the school closures, there are a number of great online educational platforms you may wish to access with your child. The list below details a number of great sites that will help you keep your child stimulated and learning.

Please remember our school subscribes to **Purple Mash**, **Times Table Rock Stars** (Juniors) and **School Jam** (Infants). Your child should have been issued with a username and password for all of these. If you are experiencing problems logging in, please contact your child's class teacher. Selected children also have access to **Lexia** and **Third Space Learning**.

The other sites listed below offer a range of activities for your child. Many companies are offering free access to these sites for the period of school closures; an opportunity not be missed!

<https://new.phonicsplay.co.uk/>

PhonicsPlay free to use during the current school closures.

**Username:** march20

**Password:** home

<https://www.teachyourmonstertoread.com/>

Computer version is 100% free.

The logo for 'beanstalk' is written in a large, green, lowercase font. The letter 'b' is stylized with a leaf-like shape on its top.

<https://beanstalk.co/>

Interactive online classes for children aged 1.5 to 6 years, offering free memberships throughout the duration of the COVID-19 outbreak.

<https://www.twinkl.co.uk/resources/covid19-school-closures>

Create a free account and visit their Home Learning Hub for new ideas and activities, updated daily – including daily live phonics lessons and more! Offer code UKTWINKLHELPS.

**THIRD SPACE  
LEARNING**

<https://thirdspacelearning.com/blog/home-learning/>

Free home learning resources, including home learning packs, maths packs, daily practice and lots more. Register for your free Maths Hub account.

<https://scratch.mit.edu/>

With Scratch, you can program your own interactive stories, games, and animations — and share your creations with others in the online community.

<https://www.scratchjr.org/>

ScratchJr is an introductory programming language that enables young children (ages 5-7) to create their own interactive stories and games. Download the free app.

<https://classroomsecrets.co.uk/free-home-learning-packs/>

Resource packs for each year group to help your students learn from home.

<https://home.oxfordowl.co.uk/>
