

West Ashtead PE sports premium 2020-2021

What is the Sports Premium funding?

The government provides additional funding for the provision of PE (physical education) and sport in Primary schools. The funding is jointly provided by the Departments for Education, Health and Culture, Media and Sport. The funding is ring fenced and can only be spent on the provision of PE and sport in schools.

Funding for schools has been calculated based on the number of primary-aged pupils as recorded in the annual schools census in January. This year we have been allocated £18,986

Strengths in our PE provision

Key achievements	Areas for further improvement
<ul style="list-style-type: none">● The number of children involved in weekly extra-curricular clubs. Strong partnerships with local schools enabling children to take part in friendly competitions in a range of sports.● A wide range of children have had the opportunity to represent the school and compete at District level, the teams have had various top placings at these events Some children have had the opportunities to represent the school at county level.● Awarded Bronze School Games Mark June 2019.● Children have had the opportunity to visit The Oval and experience cricket matches and take part in activities which have inspired and motivated children towards the sport.● Parental involvement in extracurricular sport. Parents have supported children at clubs and coached and managed teams at local competitions.● High quality PE equipment available for all sports and staff using the Merton PE scheme of work to deliver PE lessons. This is providing consistent and high quality planning and lessons.	<ul style="list-style-type: none">● Introduce a team approach to the leadership of PE across the school in order to spread expertise and provide more competitive opportunities for a wider range of children. This will include children being able to attend more Inspire and Aspire events.● Develop a progressive approach to sports for each pupil.● Continue to offer a wide range of extra-curricular clubs, particularly lunchtime clubs to engage the least active.● Developing links we have already have with state and independent schools to help broaden our PE provision.● To identify the children who don't meet national curriculum requirements for swimming and water safety and offer support to those children to raise attainment.● To assess the impact of lockdowns on the wellbeing and health of our children.
