

Curious, Creative, Motivated

Welcome to Pupil Premium at West Ashtead Primary School

What is Pupil Premium and is my child eligible?

The Government currently provides schools with additional funding to support the learning and development of certain groups of eligible children. This is known as Pupil Premium and is allocated to the school for children who:

- are currently eligible for Free School Meals (FSM) - £1,345
- have at any point during the last six years received FSM (known as Ever 6 FSM) - £1,345
- have been looked after continuously for more than six months £2,345
- Have been adopted from the local authority care under the 'Adoption Act 2002' - £2,345
- Have parents currently working in the armed forces or have done so in the last 6 years (Ever 6 in service child) or in receipt of a child pension from the Ministry of Defence - £350

As directed by the Department of Education, schools are free to spend the Pupil Premium funding as they see fit. However, we will be held accountable for how the funding has been used and the impact it has had on the eligible children. We are required to publish online information about how we use the funding and the impact. This will ensure that parents and others are made fully aware of the progress and attainment of these pupils and the extra support they receive.

Coronavirus: flexibility in reporting requirements The DfE understands that due to coronavirus and school closures, it is not possible to evaluate the impact of pupil premium for all of the 2019/20 academic year. We will continue to monitor our children and report on the grant's impact at the end of the 2020/21 financial year. This report covers the whole period between September 2019 and July 2021

Pupil Premium Context at West Ashtead Primary School 2020/21

Percentage of pupils entitled to Pupil Premium on roll: 13%

PP pupils	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	TOTAL
Number of Pupil Premium children	4	4	5	4	7	6	5	35
FSM & PP	4	3	4	4	5	3	2	25

Quality First Teaching

Barriers to educational achievement

We are committed to removing barriers to learning so that all our pupils are able to fully engage with school life during their time at West Ashtead and grow and develop as learners and have enriching opportunities and experiences. In each year group there are small numbers eligible for the Pupil Premium Grant but there are no common factors that affect all of them. Each pupils' unique circumstances are identified and addressed through our pupil premium profiles and action plan.

Barriers that our children face include:

- Access to extra-curricular activities and educational experiences (trips, music lessons, participation in physical activities).
- Attendance – absence and lateness contributing to lower than expected progress.
- Communication and language development is below age related expectations at EYFS baseline
- Parental engagement with school needs encouragement - especially regarding completion of homework.
- The crossover between SEND and PP particularly in Y4, 5 and 6
- Social and emotional needs that impact on the children's learning and self-esteem.
- Less confidence and resilience for some who see themselves as unlikely to be successful.
- Although 80% of our PP were in school full time in Jan - March 2021 lockdown some children did not attend school based learning

Intent of the Pupil Premium Funding

At West Ashtead Primary school, we pride ourselves on treating each child and their family on an individual basis and strive to build positive relationships with our families. We focus on CPD to support Quality First Teaching in all of our lessons, additional staffing and strategies to support children both in the classrooms and in short term interventions as well as incorporating wider approaches so that children receive a broad, balanced and holistic approach to their learning and development. Each Pupil Premium child has their own one page profile, identifying their learning needs, aspirations and outlining how best we can support them. We have regular progress meetings where attainment and progress is discussed and a gap analysis is drawn up. Every child at West Ashtead is treated with the same level of acceptance and respect. We believe that every child should be given the right level of support or challenge to become an independent learner.

Implementation of the Pupil Premium allocation to overcome barriers

The focus of our PPG spending is to ensure that any disadvantaged pupil can make good progress in all aspects of school life. In particular we focus on:

- core skills so that access to the wider curriculum is not limited
- access to extracurricular opportunities
- support for any social or emotional needs

Achievement summary 2018/2019

KS2				
	Reading	Writing	Spelling and Grammar	Maths
All Pupils (89)	85%	72%	74%	80%

Achievement Summary 2019/20

No data available

Year 1 Phonic Screening Check undertaken in Autumn 2020				
All Pupils (28)	82%			
WA Pupil Premium (4)	50%			

Planned expenditure

Our overarching aim is to raise the number of pupils developing the knowledge and skills required to achieve Age Related Expectations and beyond whilst also participating fully in school life, opportunities and experiences with confidence.

Teaching and Learning					
Actions	Success Criteria	Target pupils	Monitoring / Evidence	2020/21 Cost	2020/21 Impact
