

Hi Year 4,

Attached is a menu of activities for you to choose from. The expectation is that each task should take you at least an hour, some may take more. Our advice would be to do one task per day.

We also expect you to keep up your reading and timestable practice. Aim to do at least 20 minutes of each a day. Keep an eye out for a TTRS challenges, let's see who can win this time. It would be great to have some reviews of the books you have been reading so that you can share when you get back. Also it will add up lots of minutes!

Remember My Maths and Purple Mash are available to you. We will be setting tasks on My Maths, it is key that you go through the lesson first before you complete the task. On Purple Mash there are lots of different types of activities, check for 2do's.

We also have sent you home some handwriting to practice, you may do this in an ink pen (not biro). Take your time over it to make sure it is nice and neat, hopefully we will be able to give out lots of pen licenses on your return.

We are unsure of how long this period will be so please continue to check your emails. You are more than welcome to email us in this time, especially if you want to show us some of your fabulous work.

Take this opportunity to spend time with your family at home, make sure you help around the house, learn new games and enjoy this time together.
