

# KS1 Homework Menu

Whilst the school is closed, here are some fun and interesting activities to complete. They all have a space theme and some are connected to our book, 'Bob, Man on the Moon'. We look forward to seeing your completed tasks when we are back in school!

<p>Create fact file about one of the planets in our solar system! If you wanted, you could do the whole solar system!</p>  <p>A photograph of a 'Solar System Model' display board. It features a central sun, several planets on orbits, and small informational cards for each planet. A blue star icon is positioned to the right of the board.</p>	<p>Make Bob's rocket!</p>  <p>A photograph of a child's craft project: a rocket made from a plastic bottle, painted orange and red, with a blue nose cone and yellow fins. It sits on a wooden table with various craft supplies like paint, brushes, and scissors.</p> <p><a href="https://recipes.sainsburys.co.uk/articles/fun-stuff/transform-a-bottle-into-a-rocket-in-6-easy-steps">https://recipes.sainsburys.co.uk/articles/fun-stuff/transform-a-bottle-into-a-rocket-in-6-easy-steps</a></p>	<p>Research a famous astronaut or astronomer. What made them famous? Did they discover something extraordinary to do with space?</p>  <p>A photograph of a hand-drawn astronaut figure. The figure is wearing a white helmet and a grey spacesuit with red accents. The name 'SALLY KRISTEN RIDE' is written at the top. Several small text boxes with lines pointing to different parts of the suit and helmet are scattered around the figure.</p>
<p>Look up at your night sky. What constellations can you see? Take pictures where possible of what you found.</p> <p>Many constellations have stories associated with them. Find out about 2 of those stories.</p>	<p>Make a shoebox planet!</p>  <p>A photograph of a shoebox planetarium. The interior of the shoebox is painted and decorated to look like a planet's surface, with green hills, a blue body of water, and a small figure. The lid of the shoebox is also decorated with green foliage.</p>	<p>Write a character description of one of the aliens on the moon! What do they look like? What is their personality? What are their likes and dislikes?</p>  <p>A photograph of several green, cartoonish alien characters. They have large eyes, some with multiple eyes, and are smiling or looking towards the camera. They are set against a yellow background.</p>

\* Please log into [Purple Mash](#) there are more activities in the To Do List and some templates that might help you. The username & password are in your Reading Diary. \*
