

West Ashtead Primary School

Newsletter Number 5 2nd October 2020

I have very proudly harvested five butternut squashes. I nurtured them very carefully and now look forward to eating them! A short update this week.

School Opening

Drop off and Collection Times

Thank you for your co-operation at the front of the school. It is now a lot less congested.

Contingency Planning

This has now been completed and is on our website. It is a working document and will be reviewed and updated as necessary.

School Meals

Please remember to order your meals online as we had 20 children this week without ordered meals meaning that the kitchen staff were kept on their toes!

Parking

Please drive and park considerately. We have had some concerns raised about parking on corners which makes it very difficult for children to see the roads and to cross safely.

Harvest Festival

Huge thanks for all the generous donations for our Harvest Festival. The children watched an assembly that I had pre-recorded and then we all met on the playground to be led in singing by Mrs Barber. It was really special to be able to get together as a whole school after such a long time.

Going Forward

Grow Cook Enjoy

We are working with Grow Cook Enjoy to plan an annual scheme of planting, harvesting and cooking for all year groups. It will be great to see the vegetable beds back in action and to provide this experience to all our children.

Parent Evenings

We are proposing to hold these virtually over Google Meet. Please let us know if this means of communication would be a barrier to you.

Many thanks for all the kind supportive messages that we continue to receive. It is very heartwarming to know that all our efforts are appreciated.

With all best wishes for a great weekend.

Ruth Hall
Headteacher
